1986-87 A CLASS ACT

Welcome to "A Class Act" of 1986-87. As we open we see that spirit, hard work, determination, love, courage, and strength are all symbolic of the class at C.H.S.

From the very beginning, we knew that 1987 would be a year to remember. A year when EVERYONE, from the most spirited senior to the shyest freshman, would somehow be involved.

For most of us, this was a year of realizations. Our class ages ranged from 14 to 19. Our interest varied from fine arts to rough and tough sports. Our class did have handicaps, but we struggled together to help each other score big at everything we felt was within our reach and even those that seemed unreachable. We cried at the losses of old friends and rejoiced at the discovery of new ones.

We shouted victoriously when our athletic teams spun out what winning point. We pulled through with love and understanding when hard times made us do crazy things. We kept our integrity even when it seemed like the end was so far away. You see, 1987 was a successful year. And though learning to deal with success and failures comes with class. Therefore, 1987 pulled through as being the classiest!!

Join us now as we look back at the memories--the people, the events, the scores, bores and excitement that made 1987 "A Class Act"!!!

Cruising Safeway, going to the movies, eating out or just hanging out with friends. These are everyday activities of CHS students. A normal day begins at 7:30 a.m. You jump out of bed (or crawl) grab a bite to eat, shower, dry your hair, and rush to school. You arrive at 8:18 a.m. and somehow manage to get from your car to your 1st period classroom by 8:20. The day is filled with cramming for tests that you forgot to study for the night before, copying homework, annoying your teachers to the best of your ability, and gossiping with friends. After school is filled with many activities such as detention hall, club meetings, athletics practice, play rehearsals, and science fair. Somewhere in there you find time to eat and sleep. Its not easy but it's fun! All of this made up the students life at CHS. Yet another part of making 1986-87 a CLASS ACT!

STUDENT LIFE

Clothes still make the man...and the woman!

Jason Carter and Eric Sims loved the Generra sweatshirts.

Kelleen White and Greg Elliott are showing off some outstanding styles. Aren't they fashionable?

Punk Rock is a popular fashion and, who knows, it may get even more popular. Rebecca Lusby and Rona Hurley seem to think it's totally awesome.

Bridgette Sparkman shows off her homemade, button, blue-denim jacket.

histicated look is very unique with Shannon
ver in her tweed trench coat

Long skirts were popular, just ask Sheha Tor-
rence

Classy and Sassy! That's the look Adriane Polk is
giving in her colorful oversized sweater, long skirt,
and granny boots

Coca-Cola sweatshirts were it by Kenyetta Kidd and Vachon Torrence. Coke
is the real thing!

Denim will never die. Blue jean jackets are here to stay fashioned by Lance
Wooldridge, John Lindsey, Adriane Polk and Jimmy Vaughan

PANTHER R I D E

The spirit was shown at games by old and new faces. These dedicated fans cheer as their team gains yards on the opposing team at Coleman Stadium.

"There is a growth coming out of your arm, Mrs. Camp!" said [Name] Manning before he points to her to make sure everyone sees. The teachers were showing their Christmas spirit during an assembly.

"We've got spirit, yes we do!" Vo-Tech students made a float for the Homecoming Parade.

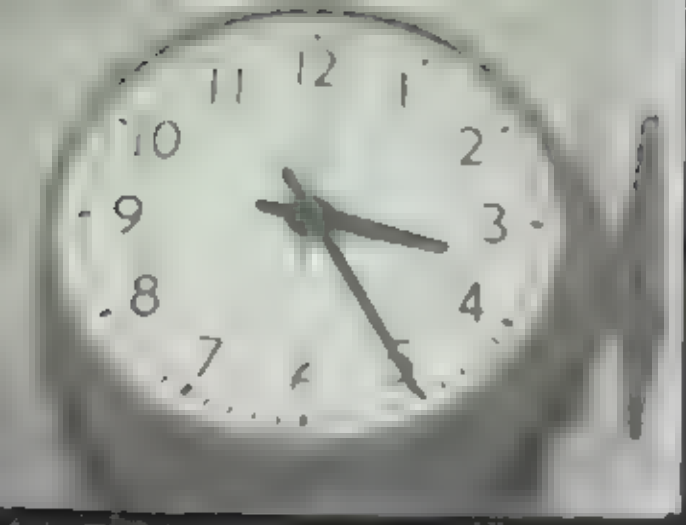

MIGHTY PANTHERS

For talented teachers can even dance and cheer! The teachers showed that they were behind the Panthers with a cheer at the Fairview pep rally

Up, up, and away! The balloons were used to raise the spirit level and support the team. The victory line was also used to show spirit

RINGG RINGG THEY'RE

AND...

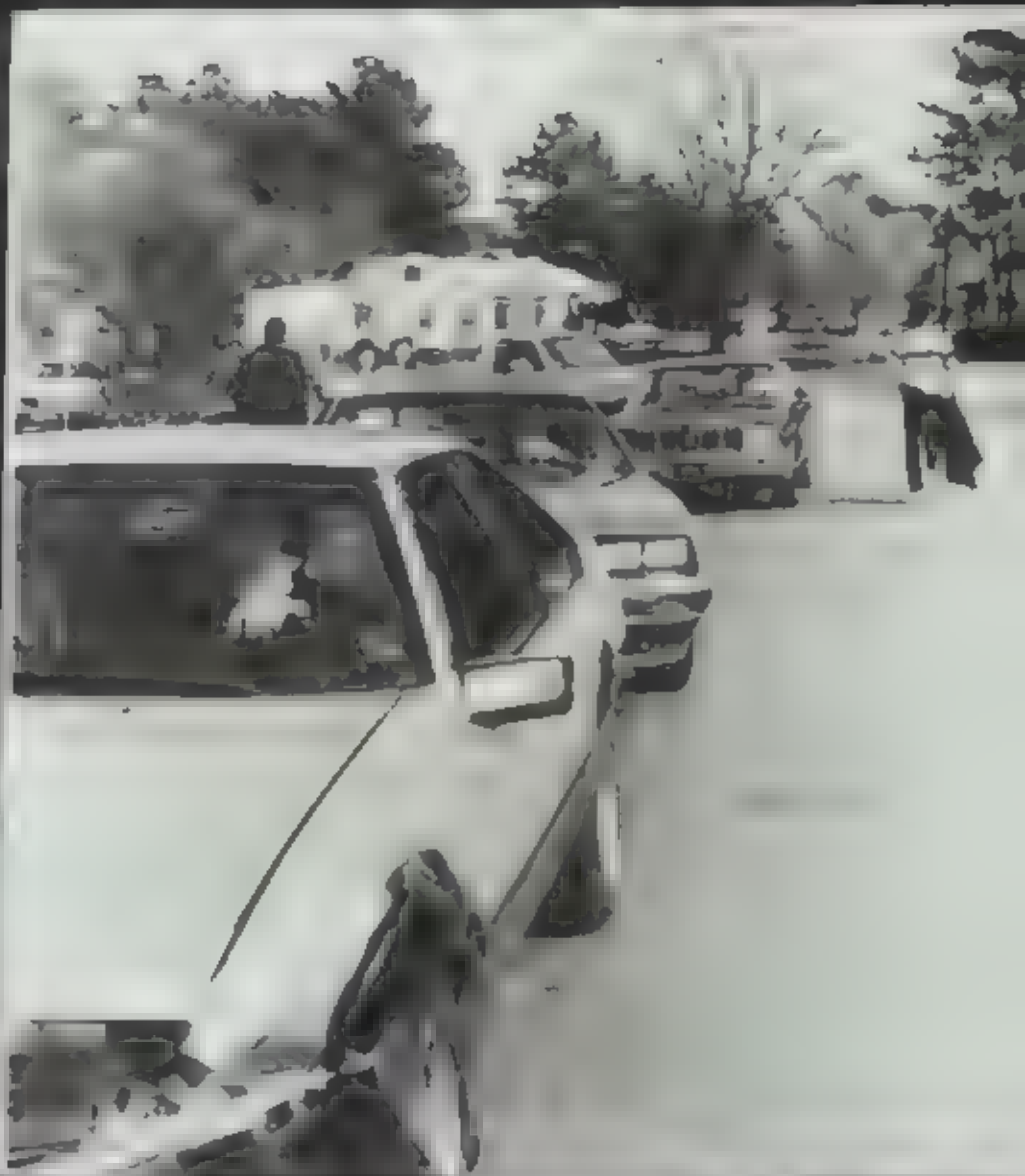

OFF!!!

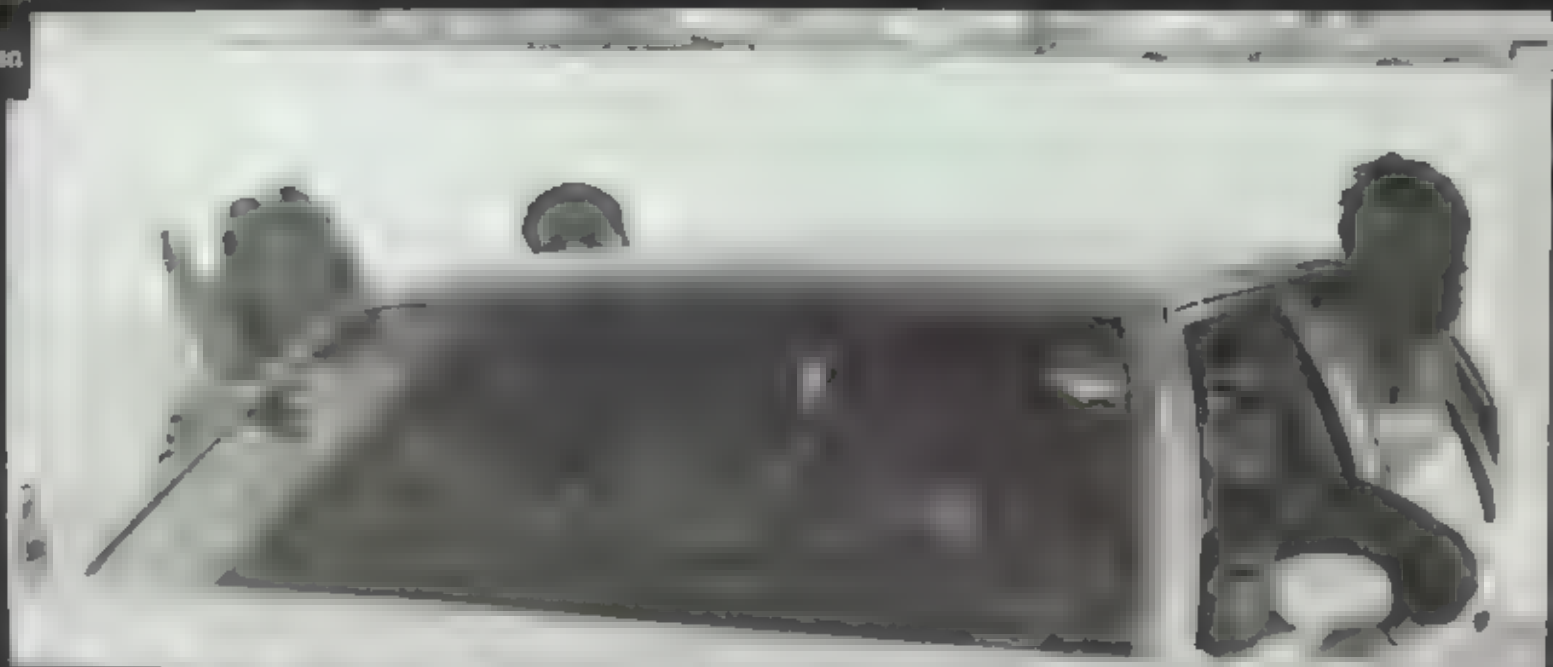

As the last class of the day is over, Patty Fuller, Cathy Green, James Tucker, and Katherine Corcoran hit the halls and head for the great outdoors to enjoy their various after school activities.

Students have other activities that don't deal with school. Darrin Morgan and Derion Beatty leave school quickly to begin theirs.

James Carter is really anxious to get home. Can't you tell? Look at his car!!!

The Crew, including Shawn Witherington, Cheryl Armstrong, Tammy Cosby, John Lindsey, Karen Beavers, and Joel Mullis, start off their weekend as soon as school's out at Sonlight!

Campus Life

Here at Camden High School there are many faces. Some familiar others not so familiar but that's O.K. because even though you may not know every person in your graduating class or all the faces that walk these halls there's an odd but classic tie between every student here at CHS. The people within these walls are more closely knit together than is normal at many high school. All the faces you'll find behind this page may not be familiar yet somehow they are all bound together, each and every class, to your own. What a CLASS ACT!

WHAT WOULD WE

Cafeteria workers work hard every school day to serve students a nutritious, warm meal. Workers are left to right Mrs. Murphy, Mrs. Lakey, Mrs. Sutton, Mrs. Dutton, Mrs. Howard, and Mrs. Edwards.

Mrs. Haynie, the school nurse, spends one day a week at each school and is always on call for any emergencies that may occur.

Mr. Cotton has spent many years at CHS supervising the custodial work.

There are many special people working for the school that do not get the recognition they deserve. They work long hard hours and we rarely hear a complaint from them.

The bus drivers get up early in the morning, in rain or shine to transport the students back and forth to school. Not to mention that half of the drivers are teachers!

The secretaries are always there when you need to use the phone or check out, and they sign re-admission slips so we can get back into classes when we've been absent. Along with them, the office aides are always there to lend a hand when there is too much for the secretaries. They also help the teachers by typing and copying worksheets and tests.

The cafeteria workers spend long hours in the kitchen everyday of the week. They do their best preparing balanced meals for the students and the faculty.

Occasionally, when the air conditioner comes on in the winter or the heater when it's hot, Mr. Cotton is always there to fix things. He works hard to make a comfortable environment for all of us.

When our temperature is high, or we have a stomach ache, Mrs. Haney is there to fix us right up, and stop the pain in the best possible way.

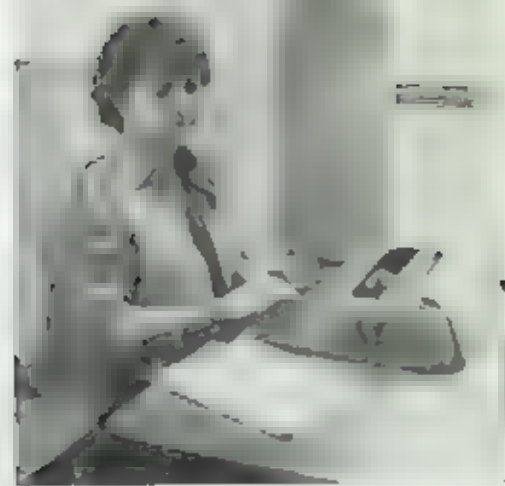

A lot of the time, we are too busy to notice you all, but we know you're there and you're doing a great job! After all, what would we do without you?

PEOPLE

DO WITHOUT YOU?

Whether it's rain or shine, or even sleet or snow, these people are always up early to transport students back and forth to school. Standing left to right: John Strickland, Henry Signa, Lenny Oakley, Bill Bacon, Bill Tolbert, Herbert Bennett. Kneeling left to right: James Dunning, Dennis Evans, Brod Cooper, Hurley McMoran. Not pictured: Anita Stafford and Randy Hicks.

Office aide, Mrs. Keesaer, types one of those dreaded semester exams!

Also an office aide, Mrs. Everett makes copies of the rare study sheets for semester exams!

"Mrs. McKinney, do you hand out money to everybody?!" Mrs. Betty McKinney is Secretary, bookkeeper and also very good at handing out D-Hall slips.

HOTLINE: Mrs. Pat Crumpler enjoys handling business related conversations on the phone during school hours.

Girl's and Boys' State

Senior guys who attended the Arkansas Boy's State over the summer are (l to r) Gerrick Hardy, Eddie Draper, David Bacon and Cleon Williams

Senior Valerie Weidmann shows off the friends she made at the Arkansas Girl's State in Arkadelphia

Girls who were chosen to attend the Arkansas Girl's State held at Ouachita Baptist University are as follows: (First row l to r) Judy Wesley, Lynley Fenwick, Valerie Weidmann and (standing) Cherry Oakley

30-Girls'/Boys' State

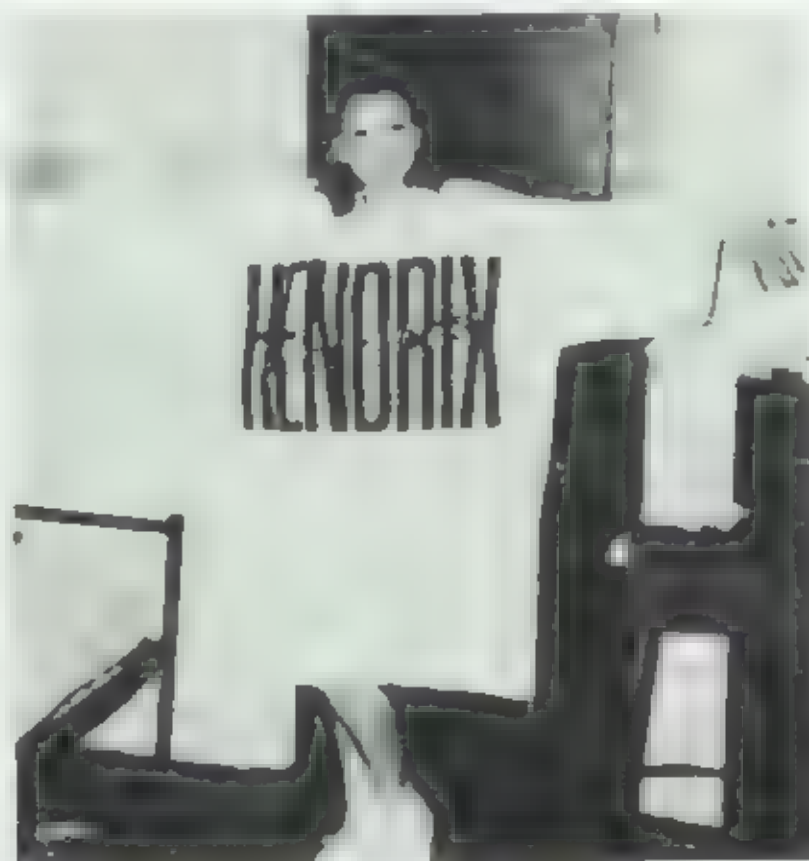

DeeDee Floyd and Lynley Fenwick were selected to attend Governor's School this summer, '86.

Dorm life was kind of crazy-here's "Lynley of Liberty."

DeeDee is getting ready for the TOGA PARTY.

Lynley Fenwick, getting ready to go to the pajama dance.

Governor's School even made work fun! Mr. Er-n was a great director and an even greater friend!

DeeDee shows her true nature for the AGS costume party.

DeeDee

I really appreciate the honor I had of attending AGS '86! Meeting new and lasting friends and learning modern opinions and methods helped in making this a memorable experience for me. Everyone should be able to attend!! AGS '86 LIVES!!!

Lynley

Governor's School was the best six weeks of my life! It is a completely different world. The classes are fun and there are so many fun things to do. I met so many friends and I can't wait until our reunion in June! I learned so much last summer and I wish everyone could go and experience the excitement that DeeDee and I did. AGS '86 LIVES ON!!!

A lot of lifelong friends were met at AGS. "You feel like you're part of a great big family and you never want to leave."

Everyone got in on the Homecoming Spirit. Even Sean Red, during his long stay on crutches.

Homecoming Court members Sheila Terrence, Lisa Arnold, and Beth Sanders do more than just look pretty at the game, as they cheer on the Panthers.

1986-87 Homecoming Queen
Cheryl Marie Armstrong

Once again the Class of '87 carry on tradition, as the Seniors win the Homecoming.

THE COLORS OF SUCCESS

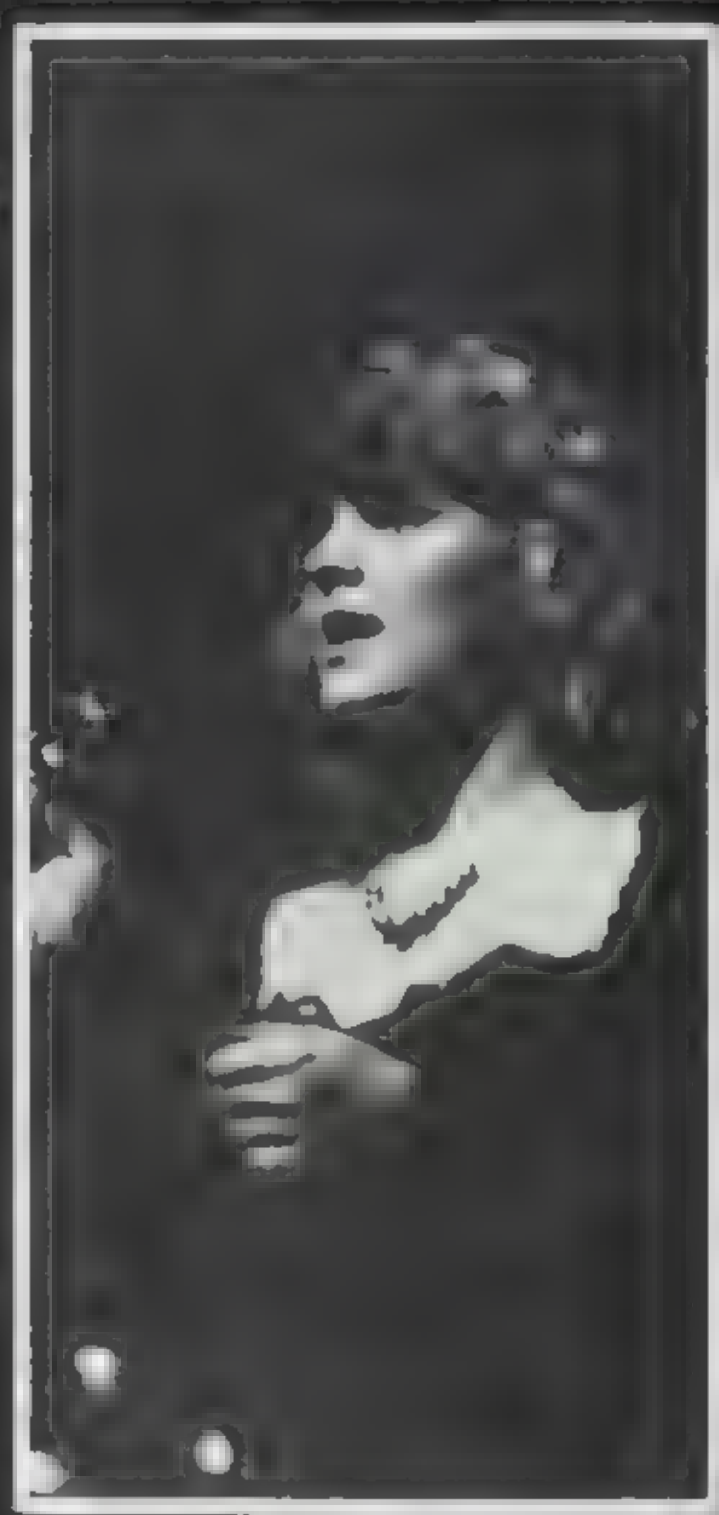

"Homecoming had to have been the best thing that happened to me. I thought I wouldn't get as nervous on the day Eric Sims announced the court. When my name was called out, the only thing I could do at the time was sink down in my chair and cry. I was totally shocked!! I had the best feeling and the biggest smile as I walked up on the stage. The only thing I could say at the time was, 'I did it!'"

"The night before homecoming all of the girls spent the night at Beth Sanders'. We had the best time that night. We danced, made commercials, pigged out, messed up, and stayed up until 1:00 that morning. We woke up on homecoming day at 7:30 a.m. to go to my house for breakfast. Everyone left around 9:00 to get ready because we had to be at the high school at 11:00. I really started getting nervous when we had to line up to walk out. The whole time they were walking out

and being announced, I was in the locker area pacing back and forth. I had never been in front of a lot of people and I just knew I would trip walking down the aisle. The moment that Eric said, "Now would you stand and greet your 1986-87 Homecoming Queen, Cheryl Marie Armstrong," I had the biggest smile I have ever had on my face, but I was ready to faint any minute."

Despite the rain, I thought the parade went well. The game topped it all off, though. I was very calm. For once that day, during the game. It really meant a lot to me that both my father and grandfather escorted me on the field. It was really great being down by the football players and cheering them onto Victory!"

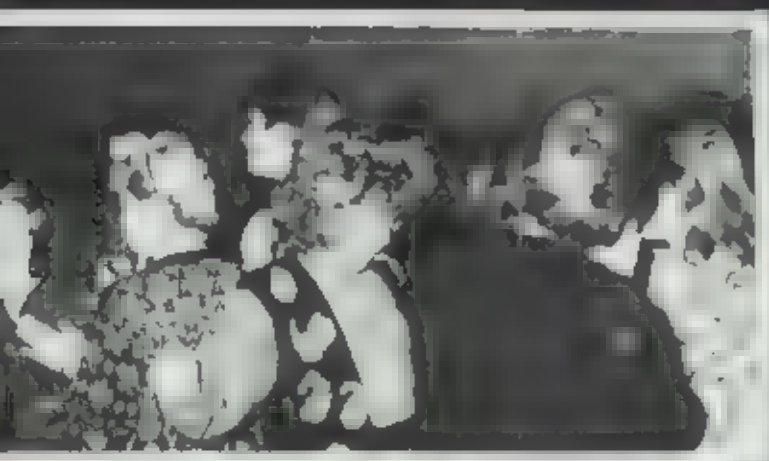

"Although I was very exhausted and felt like I was going to have a nervous breakdown, I would definitely do that again... I felt like it was My day! Being Homecoming Queen has always been my goal and I DID IT!!"

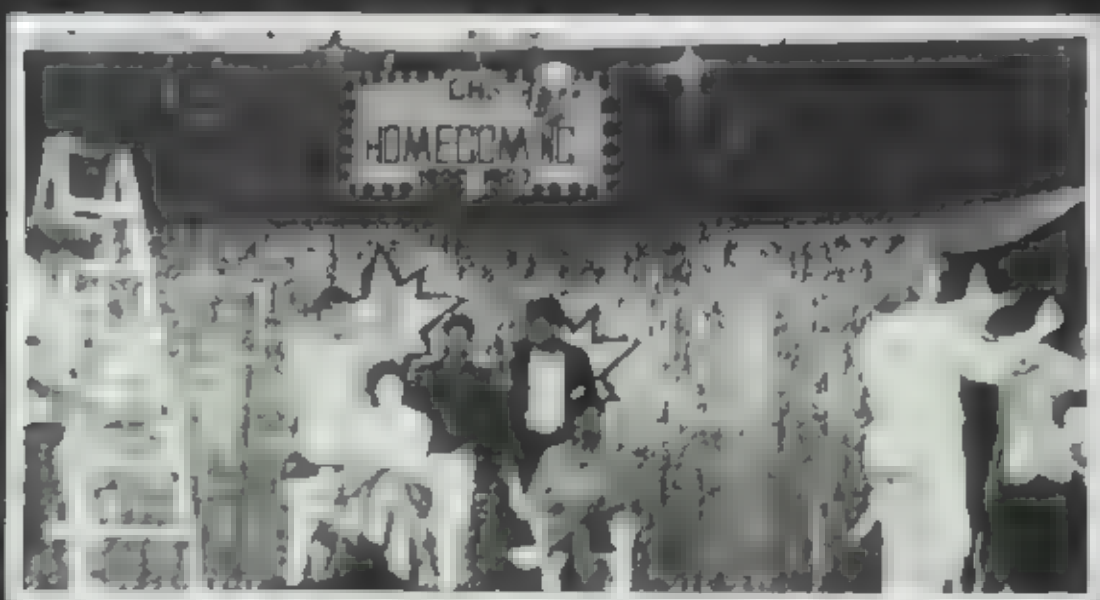

Talent and beauty go hand in hand as shown by maid Beth Sanders during the Homecoming assembly. She and Ricky Harris sang "Hold Me" as a duet.

1986-87 Maid of Honor

The traditional Homecoming Dance had a wonderful turnout. Monica Lindsey dances among her friends.

BEHIND THE SCENES: Homecoming is not all glamour. The girls worked very hard to make homecoming a success, but they never would have made it without help. The teachers, art dept., home ec dept., and work crew are all to be commended.

SPORTS

Panther Pride is shown in everything the students at Camden High School undertake but where it is most evident is in the athletic program. When any opponent challenges a Panther in an athletic event they can be assured that it will be a fair but tough fight to finish. A Panther athlete is a born winner but has been taught to be a gracious loser and not a quitter. They fight till the end, adopting the classic phrase, 'It matters not whether you win or lose, it's how you play the game!' In the end the Panther always comes out on top of the Panther's athletic style, and it can all be summed up in four words, "It's One Class Act!"

Cats open season with win against crosstown rivals

The Camden Panthers opened their 1986-87 football season on September 5, by defeating their crosstown rivals, the Fairview Cardinals, by a score of 13-0. Camden took control and lead 6-0, thanks to a 66-yard punt by Senior Anthony Mason. With 4:17 left in the half, Senior Jimmy Vaughan's PAT was wide to the left.

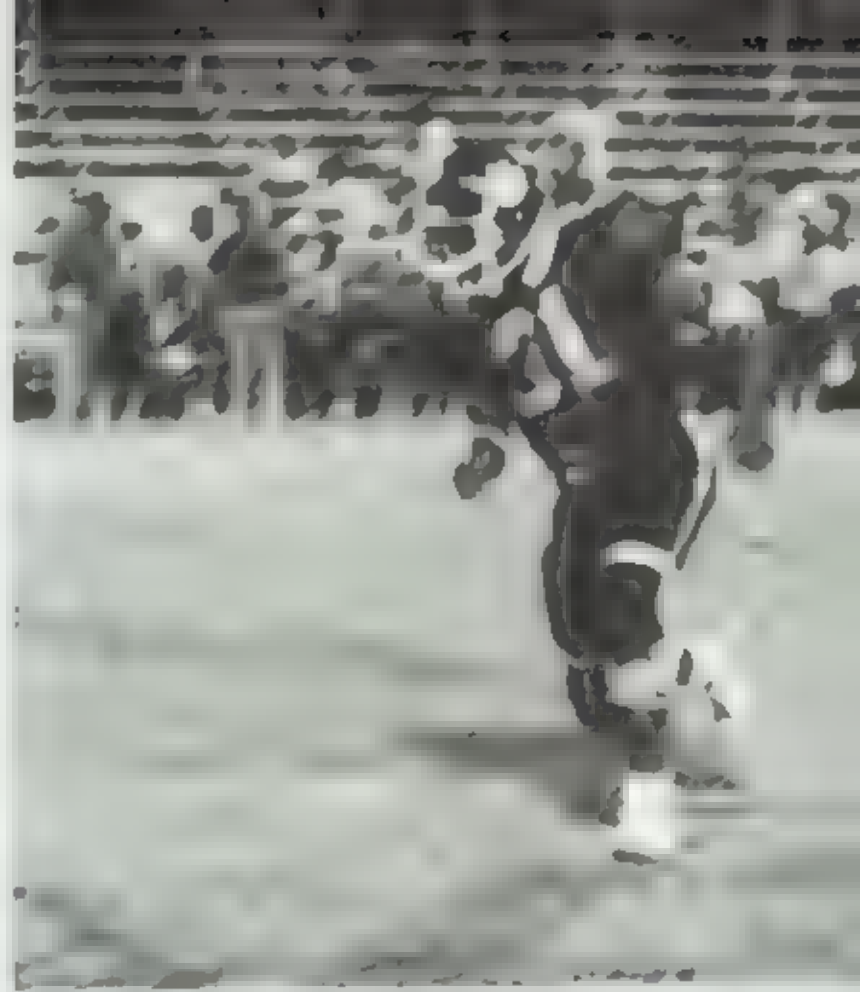

It wasn't long before the Panthers struck again as Defensive Tackle Willie Gulley stripped Fairview Quarterback Doug Marsh of the ball and Camden's Jonathon Frazier recovered on the 17-yard line.

Lance Wooldridge hit Tight-end Thomas Reed for a 10-yard line drive. The PAT by Jimmy Vaughan was true and with 1:34 left in the half, the Panthers led 13-0. The Cardinals were hurt by fumbles which halted three tough drives. The Fairview defense held Camden's offense to only one first down in the second half.

A 29-yard run by Wooldridge to the 8-yard line put the Panthers in apparent scoring position. Cornell Tate tried three times unsuccessfully from the four yard line, and Kenny Davis was stopped at the one-half yard line on the fourth and four. The Panthers stopped the Cardinals' final scoring threat late in the fourth quarter and held on to win by a score of 13-0.

On Sept. 12, the Panthers traveled to El Dorado to face the El Dorado Wildcats in their own Memorial Stadium. The Panthers played a tough game by the Wildcats were in control and defeated Camden 45-0.

The Wildcats took the opening kickoff at their own 21-yard line and drove the ball 79 yards in 10 plays. Wildcats Runningback Stacy Frazier ended the drive with a four yard TD run. Cattrell's PAT was good and the Wildcats led 7-0 with 7:01 left in the first quarter.

Cardinal-ball carrier isn't going anywhere Jay Hines holds on to him, while waiting for David Bacon to come in and put on the finishing touch

Camden Runningback Jay Hines was hit and fumbled the kickoff. El Dorado's Tommy Ggpen recovered the ball in the air at the Camden 26. After a 2-yard gain by Terry Davis, Frazier scored his second touchdown from 14 yards out. Frazier's kick was wide to the left and the Wildcats led 13-0.

Camden's conference season opened as they fell to Magnolia 6-0 on Magnolia's home field.

The Panther offense, led by Senior Quarterback Lance Wooldridge, went to work as Wooldridge connected with Senior Wide Receiver Anthony Mason on two consecutive passes of 12 yards each for a first and

ten at the Camden 43. After two incomplete passes, Wooldridge was forced out of the pocket on the fourth and ten, and found room for 17 yards and a first down at the Magnolia 40.

Camden took the second half kickoff and drove the ball 70 yards to the Magnolia one-half yard line in 10 plays. All the hard work was washed down the drain on what we considered to be a poor call. When Wooldridge went in from the one-half yard line, the official signaled a touchdown and the team and crowd celebrated! However, there was one official who signaled a fumble recovery for Magnolia at the one. Key plays in the drive were two long pass completions from Wooldridge to Mason for 37 and 14 yards respectively.

Magnolia Quarterback Jimmy Allwhite galloped 32 yards on the first play of the fourth quarter for a touchdown that made the score 6-0. Allwhite's score capped a beautiful 80-yard, eight play drive.

Camden was able to hold on to the ball on the kickoff, but Camden's Lance Wooldridge was called upon to punt the ball away to El Dorado as Frazier gave the Wildcats possession at mid-field. The Wildcats drove the distance

Good punting form is shown here by Lance Wooldridge

in just eight plays with Davis' swing from three yards out. Quarterback John Tuberville hit Frazier for a two point conversion which made the score 21-0 with 56 seconds left in the first quarter. Cattrell made it 24-0 with 27 seconds left in the half as he capped a 33 yard, 12 play drive with a field goal. On the third

play on the second half, Stewart stepped in front of a Wooldridge pass and returned it 31 yards for a score. Cattrell's PAT gave El Dorado a 31-0 lead with 11:12 left in the third quarter.

The final El Dorado score was a three-yard pass from Tuberville to tight-end Eric Land. Cattrell's PAT ended the third quarter with

El Dorado leading 45-0, which was the final score of the game.

The Panther's returned to their home turf and to a victory against the Alzheimer Red Devils with a score of 34-0.

The Panthers started getting together late in the first quarter as sophomore Runningback Roy Stith scored a four-yard burst

Camden got its second big break when Senior Jeff Baggett recovered Barnes' second fumble of the evening at the Altheimer 21 yard line. The drive ended when White returned Wooldridge's second interception 31 yards to the Red Devils' 36 yard line. Camden held the Devils on three plays and Senior Earl Tidwell recovered a fumbled punt snap at the two yard line. Stith scored his second touchdown on fourth and 11 to cap a 7-play, 20 yard drive. Vaughan's PAT was off to the right and made the score 13-0 with 2:54 left in the half. Camden took the second half kickoff and mounted a terrific 11-play,

64-yard scoring drive. As Stith and running back Jay Hines hit quick holes, Cornell Tate surprised the Devils' defense with an 11-yard touchdown run. Sophomore David Daniel drilled the PAT to make the score 20-0 with 6:10 left in the third quarter. Mason upped the score to 26-0 on a 50-yard punt return. Daniel's PAT was once again true for a 27-0 score with 4:03 left in the game. Junior Thomas Reed intercepted an Alfred Burtkon pass and returned it 20 yards. Daniel's final PAT made the score 34-0.

The next game saw the Panthers on the road again as they faced the Arkadelphia Badgers only to add another loss to their record. The Badgers scored early following a fumble by Camden's Jerome Parsons at his own 23. Arkadelphia's Brimm scored on a five yard run and a PAT made the score 7-0 with 10:36 left in the first quarter. Camden narrowed the margin 7-2 by trapping the Badgers' Dennis Browning for a safety. Brimm scored his second touchdown from one yard out to take the score to 14-2. Camden then drove to the Arkadelphia four yard line where the drive was stopped.

Arkadelphia took the second half kickoff for a score. Brimm capped a 12-play 75-yard drive. The PAT by Belknapp made it 21-2 with 6:45 remaining in the third quarter.

Anthony Mason took the kickoff to the Badger 24-yard line. Camden's first score came on a Jay Hines run from 6-yards out. The PAT by Jimmy Vaughan failed and made it 21-8 with 3:39 left in the third quarter.

After a Wooldridge 12-yard run, Jerome Parson took the ball across from the one yard line. The PAT by Vaughan was true and made it 21-15 with 1:22 left in the third quarter.

The Panthers then returned home to face the Crossett Eagles. The Panthers lost by a score of 12-0.

After a scoreless first half, Crossett Eagles took the second half kickoff for a touchdown. Thompson went in from the six-yard line to cap a four play 71-yard

drive. The PAT by Bailey was wide to the left and made it 6-0 with 10:33 left in the third quarter.

The Eagles increased their lead by taking the ball 68 yards in 14 plays. The Panthers' defense stiffened on first and goal at the one. Terril Boston was stopped on two consecutive tries and Thompson once before that as Bailey hit a 23-yard field goal for a score of 9-0 with 1:33 left in the third quarter.

The Eagles took home as they took a Wooldridge punt at the 41-yard line. The Eagles moved to the Panther 22-yard line where Bailey drilled a 38-yard field goal for a 12-0 lead with 7:18 left in the game.

The Panthers were once again at home to face the Dumas Bobcats. The Bobcats defeated the Panthers by a score of 17-7.

Dumas didn't waste any time in putting points on the board as they took the opening kickoff 76-yards in five plays. The game's first score came as Lambert recovered his own fumble six yards deep in the endzone. Riley split the uprights with the PAT to make it 7-0 with only a minute gone in the game.

Camden was forced to punt four plays later; the punt was downed at the 38-yard line. The Bobcats took control and took it 62-yards for a touchdown. Lambert took it in from the one yard line to cap a 13-play drive. The PAT by Riley was true, to make the score 14-0.

After an exchange of fumbles by each team, the Panthers took advantage of the Bobcats' mistakes as Jerome Parson took it in from two yards out to cap a short three-play drive. The big play in the drive was a 12-yard pass from Wooldridge to Cleon Williams. The PAT by Jimmy Vaughan was true to make it 14-7 with 6:14 left in the half.

The Panthers threatened on two of its possessions in the second half but they were their own enemy as each drive was ended by incomplete passes.

Riley put the game away with a 24-yard field goal with 4:48 left in the game.

The Panthers returned home to face the Ashdown Panthers in

their annual homecoming game. Camden defeated Ashdown by a score of 10-8.

The Panthers wasted no time in putting points on the board as Jay Hines drilled a 30-yard field goal making the score 3-0 in the middle of the first quarter. The Panthers played great defense making Ashdown punt on three different occasions. The first punt was recovered at the Ashdown 18-yard line to set up a Jerome Parson touchdown in the beginning of the second quarter. Jimmy Vaughan's PAT was true, making the score 10-0 at the half.

Late in the fourth quarter, Ashdown found room and scored a touchdown and a two point conversion making the score 10-8 with 2:10 left in the fourth quarter.

The Panthers succeeded in running out the clock to save the win.

The Panthers were on the road again to face the Hope Bobcats. The Bobcats defeated the Panthers by a score of 21-0.

After a scoreless first quarter, Conell Johnson scored with 1:45 remaining in the first half. The PAT by Phillip Williams made it 7-0.

After a scoreless third quarter, Craig Powell capped an 8-play 41-yard drive. The PAT by Williams made it 14-0 with 5:28 left in the game.

With 8 seconds left in the game, Johnson scored his second touchdown. The PAT made it 21-0.

The last game of the season saw the Panthers at Fairview's Tate Field and beat them for the second time this season by a score of 7-0.

After a scoreless first quarter, sophomore Kenny Davis found room for a 12-yard touchdown run. The PAT by Jimmy Vaughan made it 7-0 with 2:15 left in the second quarter.

The Panthers played tough defense to hold the Cardinals for the win.

Lady Panthers gymnastics (lā' dē pān'thēr jim nās' tks): an individual sport for an individual person. Gymnastics is more than an individual sport, it's a test. A test for each individual to push herself past the limit physically and mentally. Bench pressing, toning exercises, push-ups, sit-ups, and body stretches prepare the gymnast to defy gravity and endure pain. A Lady Panther learns to ignore the callouses that are ripped open, the sprains, the shin splints, the jammed fingers, and the pulled muscles. But the real test of endurance is the survival of 'The Beam Straddle', which limits the gymnast's walking ability for a while.

Before a meet the Lady Panther team can be seen with head bowed and hands joined praying:

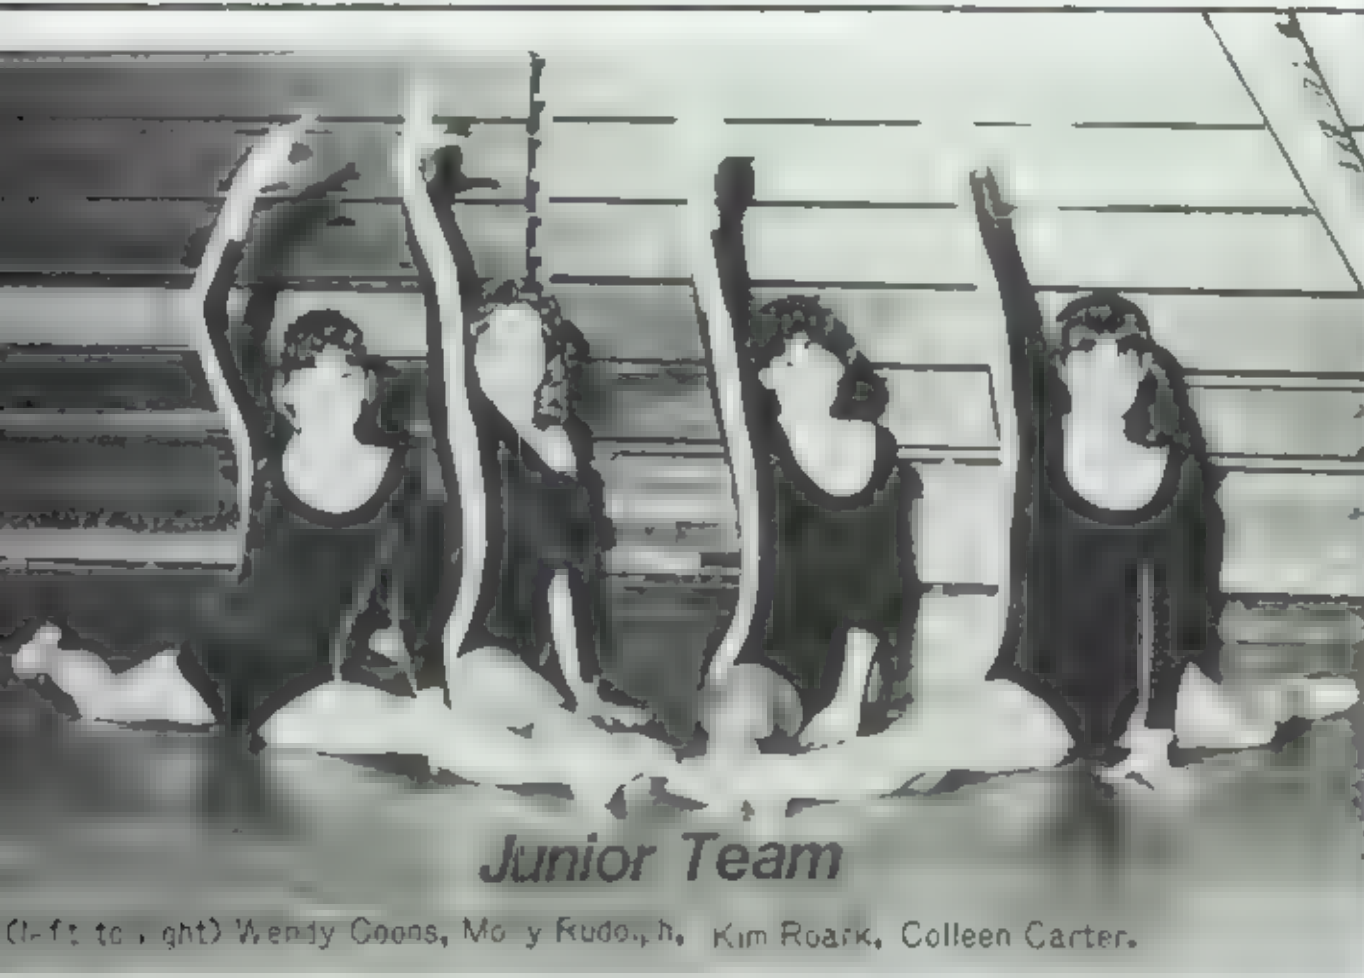

Now as I warm up for this meet,
I pray my competition I can beat.
And if I fall amidst the cheers,
I pray I can hold back my tears.
And one more thing, success or not,
I pray the creator of the
beam be shot!

The spirit and support toward each girl on the Pantherette team from her teammates is phenomenal. In practice, many times, nit picking criticism is taken harshly. The achievements of a gymnast are accepted with jealous, bad attitudes. The Pantherette team is definitely not without its bad feelings between its members. In competitions, when tension is high and nerves are shot,

The Pantherette gymnast respects her body and her teammates. She works for herself and others. When all the smoke clears, and the cheers die down, she stands not alone, but with her friends, who are sometimes enemies, and always her teammates.

The students of Camden High School filled their days with classes and club activities during the 1986-1987 school year.

The English classes worked hard to finish the second edition of "Patterns" while the Science classes once again coughed up Science Fair projects for the Regional Science fair. The Social Studies Seminar classes prepared for their annual Nominating Convention and the Math classes competed in the UCA Math/Science Day and took the National Mathematics League Test.

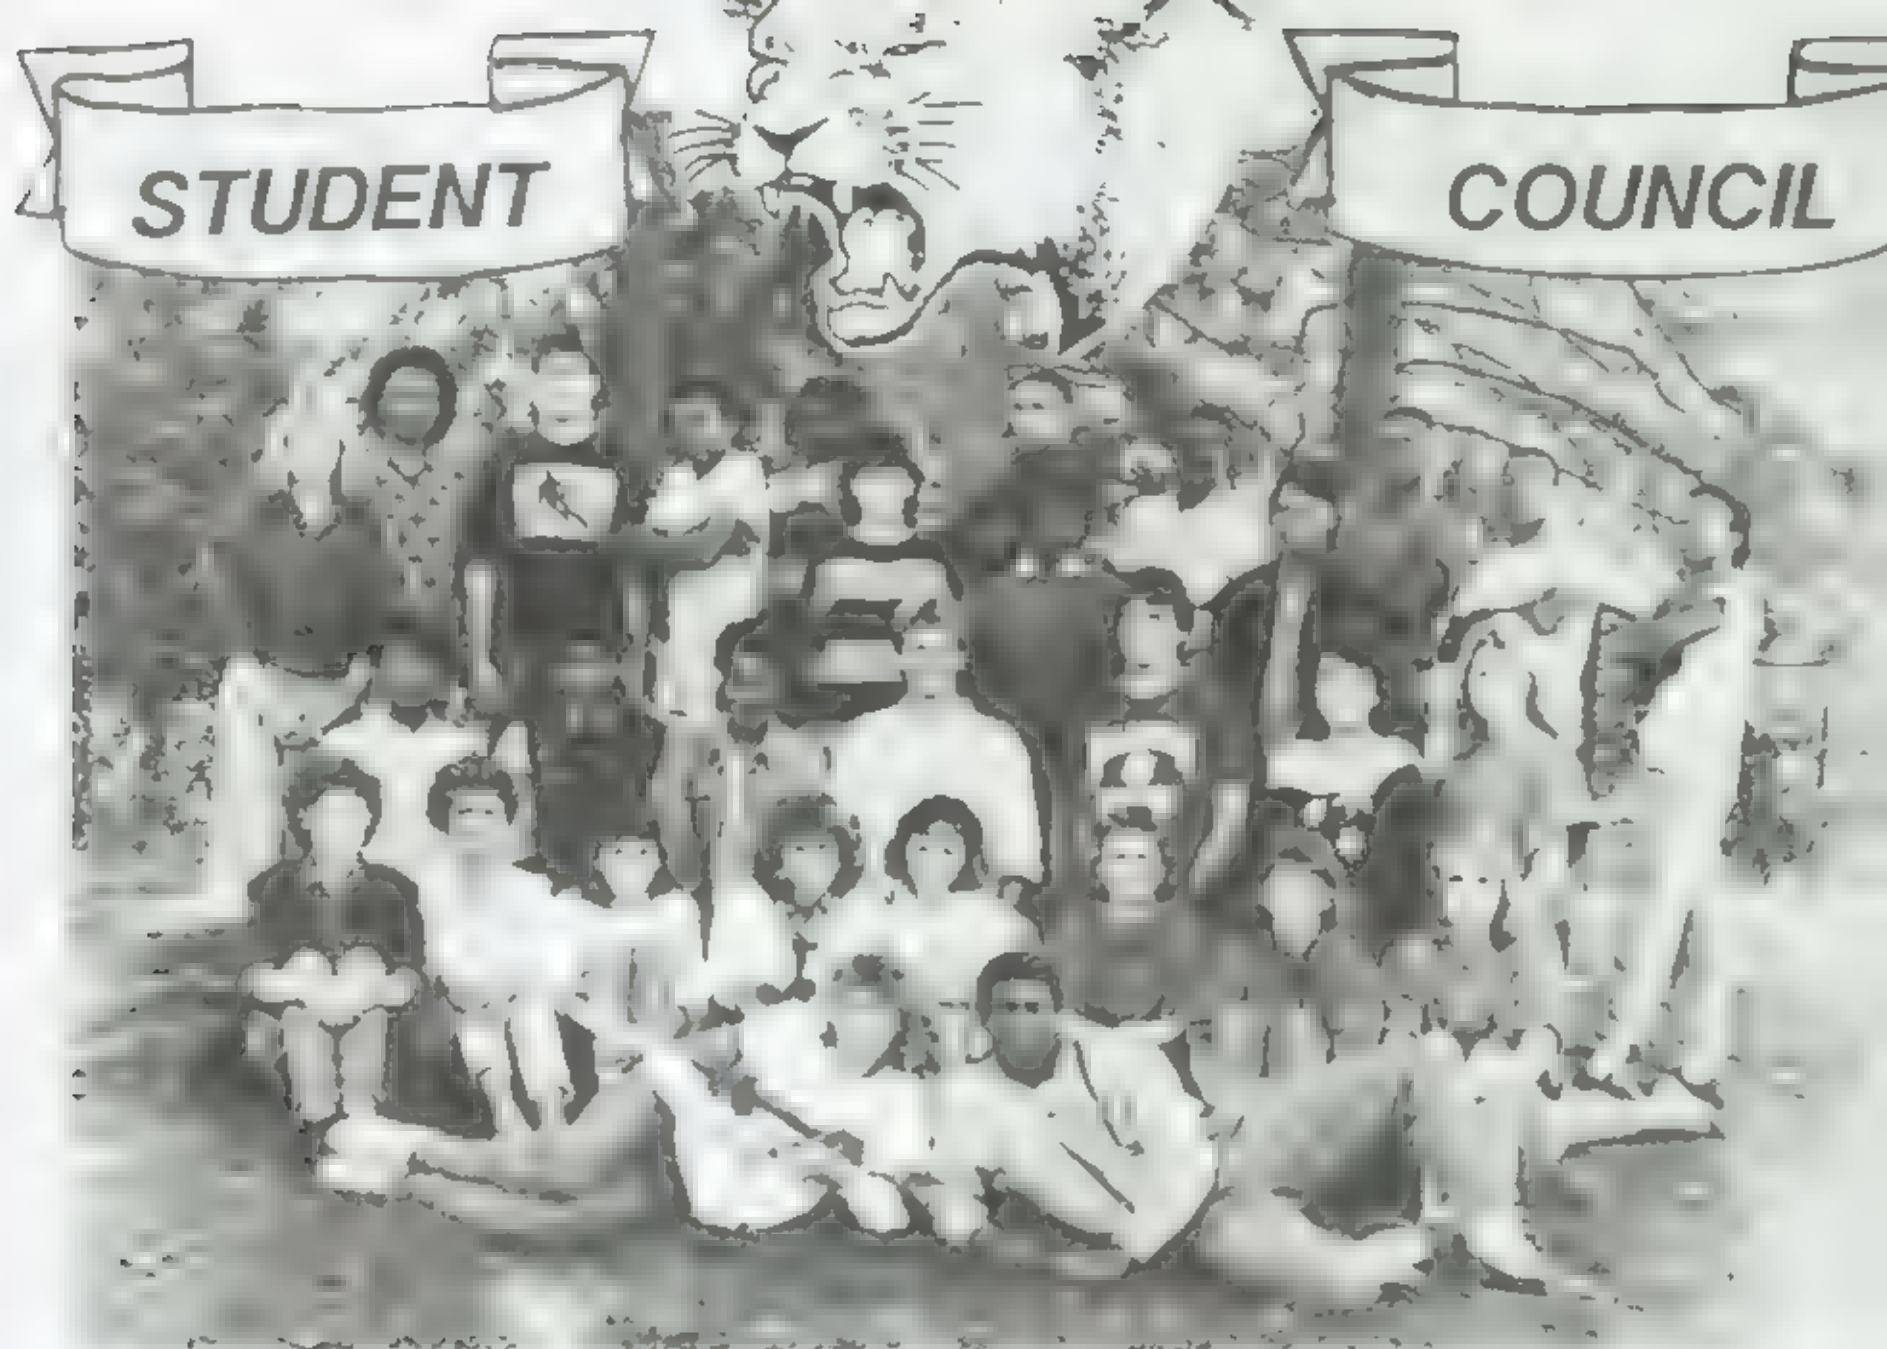

As if these classes weren't enough to keep the students of CHS busy, they also participated wholeheartedly in the various clubs of CHS. The Science Club held a garage sale to raise money to help pay expenses at the Regional, State, and International Science Fairs. The Drama Club prepared for their spring musical "South Pacific." National Honor Society once again sold Christmas cards to raise money for a scholarship fund while the Anchor Club sang Christmas Carols at area nursing homes to spread the Christmas cheer. Future Business Leaders of America sold homecoming flowers and held a bake sale during the lunches to raise money and Mu Alpha Theta kept up the tradition of the CHS Bookstore to fund their various projects. The CHS Key Club sold programs at the Panther and Pantherette basketball games and helped out at the annual Kiwanis Club Pancake Breakfast. The French Club hoped to broaden their horizons as they prepared for a Summer trip to France.

Classes and Clubs brought the students of CHS closer together and gave them a chance to meet new friends and serve their school and community. They represented their school well with a real Class Act!!

Left-The Council sponsored pictures with Santa for a project this year. The results were great! Many students had their pictures taken with Santa and the live Christmas tree. Shelly Cash and Toni Temple pose for a quick picture and asked for new dollies.

Below-Even seniors wanted their pictures taken with Santa. Valerie Harper isn't too old or heavy to sit on Santa's lap and ask for presents for Christmas.

One of the monthly meetings, Eric Sims presents many ideas for projects that the council could do for this year.

Harris has fun at the Homecoming dance as sponsored by the Student Council many as well as some faculty members commented that the 1986-87 Homecoming dance was the best in years and was a good profit maker for the council.

At one of the officer's meetings in the beginning of December, the discussion has come to an end. The officers met privately before the council met as a whole to decide what possibilities there were of students getting their pictures taken with Santa before the Christmas vacation.

“THOSE JAMMIN

Once again, the Camden Senior High Marching and Concert Bands has had a busy and rewarding year with the help of director Paul Blackman and assistant director Fred Porchia.

This year's officers are captain; Lynley Fenwick, 1st lieutenant; Eric Sims, and 2nd lieutenant; Teresa Freeman. The quartermasters are Lynley Fenwick, Eric Sims, and Shawn Witherington. They are in charge of loading, unloading, taking back the buses, setting up chairs and stands for rehearsals, keeping the band hall clean, and many other duties that keep the organization running smoothly.

The Marching Band had an especially good season with Lynley Fenwick as drum major.

Extra! Extra! Read All About It!

Where would you be in life if you had no medium for finding out what is going on in the world around you? Chances are, you would be lost and somewhat confused.

As a journalist, the responsibilities are to look for news, find out all the facts and state those facts in a way that gets the readers' attention and holds it.

But we're teenagers and more interested in the latest concerts, fashions, albums and fun than who was killed in India. We live in a totally different world that can only be referenced to as "High School." So in order to keep us, up to the minute, informed on the latest happenings of CHS, we have The Panther's Echo.

The Echo is filled each time with editorials that present issues that we face as teenagers and help us find possible solutions; news stories that keep us informed on the latest club news, honors for students, and up

coming school events; sports that keeps us posted on all the victories and tragedies of the athletic department experiences; entertainment that keeps us a beat ahead on the latest styles in clothes, the newest albums that are out, the best movies to see. All of this plus alot more albums that are out, the best movies to see. All of this plus alot more goes into publishing the Panther's Echo each time. And believe me, it is ALOT of work. It takes concentrated time and effort to get the facts and write the story. It takes sacrifice because sometimes finding the time to do this is difficult with all the other activities involved in one's high school career. The class work is not all that easy either. After the story is written, you have to type it, send it to vo-tech to be set, get it back and correct anything that might be wrong, lay it out, and get it all done before the deadline is up. But all the staff agrees that it is definitely worth the time and the effort because it is a lot of fun. You get really close to the other staff members and friendships are made that last a life time because you are working together to see that each paper is a little better than the last one.

If it had not been for the Panther's Echo we might be stumbling around, not quite sure what comes next in our high school careers. But because they cared enough to give us their very best, I believe we all have to agree that the staff did a terrific job in making the 1986-87 school year "A Class Act."

"This headline really does need to be moved!" Miss Stafford offers a few suggestions to Echo Editors Shelia Torrence and Jennifer Holyfield.

alias Conifer Staff

Members of the Conifer Staff are (back) Ronnie Binns, Adriane Polk, Lisa Arnold, John Cox, Kelleen White, Cheryl Williams, Dawn Martin, and Christy Singleton. Seated on bridge are James Green, Teresa Breland, Cherry Oakley, Vicki Tucker, and Rona Hurley. Standing to the right of tree are Vicki Eaton, Valerie Weidmann, Jennifer Holtfield, Robert Craze. Seated are Christy Dennis, Karen Beaver, Beau Bridges, Sheri Torrence, Jimmy Vaughan, and (on left) Keith Thompson. Not pictured are Keith Primm, Tracy Browning, Edwina Hutton, and Michele Laupp.

Editing a yearbook is no picnic. This is the conclusion Co-editor Vicki Eaton and Advisor Anita Stafford quickly learned.

Maybe it'll stick with just a little glue!" Adriane Polk works gently to meet her deadline.

Thinking of what to say, is the hardest part of writing a cutline. But Senior, Rona Hurley demonstrated a tremendous talent for it.

Co-editor, Cheryl Williams looks a little confused as she sorts through the ladder.

When the word "publications" appears on your schedule in third period slot, you have no way of knowing what lies behind the door to Miss Stafford's room. More work, fun, and a picnic awaits for you than you ever imagined possible.

As a member of the Conifer staff, a commitment to excellence comes your priority. There are deadlines to meet, copy to type, pictures to take, and funny little instruments called "picas" to learn how to use. But before you can even begin to do this, you have to raise money by selling ads. This process began during the summer as Beau Bridges, Vicki Eaton, Cherry Oakley, Teresa Breland, and Bonnie Tilghmon gave of their time, vehicles, and gas to go to places only God could find to sell 20 ad for the yearbook.

After school began, the first two months were dedicated to

raising as much money possible. After the money was raised Miss Stafford, the yearbook advisor, and co-editors Cheryl Williams and Vicki Eaton sat down and began to plan the yearbook, the Powder Puff Football Game, Faculty Follies, also sponsored by the Publications Department. After all of this was done, only then does the real work start.

Throughout the year, through all the blood, sweat, and tears, the Conifer Staff became very close. The bond that grows between the members is one that will be broken. Even with all the arguments, bloopers, and blunders, the staff worked hard and pulled off what can only be described as a "Fabulous" yearbook. You have to agree that the Conifer definitely helped to make the 1986-87 school year A CLASS ACT!

Mu Alpha Theta sponsored the National Mathematics League Test that was given in early March and participated in the UCA Math and Science Day in February. The school bookstore was open to students every day of the year before school and during A and C lunch. The bookstore helped both students and the Mu Alpha Theta club itself. It enabled the club to make much needed money for future events and allowed students to get last minute school supplies.

In December, Mu Alpha Theta held a banquet at Bonanza to initiate new members and also to celebrate Christmas spirit.

Mu Alpha Theta was responsible for making this school year more educational and enjoyable for the students who roamed the halls of CHS during '86-'87.

STAGE CREW

"What a production! What a cast! That was incredible! Wowza!, Yowza!, Yowza!" Such high praise is common once it all comes together for the show done by Camden High School students, but without 'The Crew' it would almost be impossible. 'The Crew' is the stage crew, the heartbeat of the stage. The scenery, the lights, the sound, the props, all the little extra stuff that makes a show come off so smoothly is the responsibility of 'The Crew'. Yet the stage crew isn't confined to just plays. They help with pageants, pep rallies, and other student assemblies. So bring up lights, turn up the sound, let the stage crew do their thing.

Members of the stage crew are, (top Row; left to right) Rogie Purfoy, Cherry Oakley, Andrew Landers;(second row) Eric Parnell, Chad Braden, Stan Kendall;(bottom row) Darren Duke, Denise Dorton, Darien Beatty; (not pictured) sponsors-Mrs.Beverly Camp

FIRE MARSHALS

When you hear that loud bell ring in the middle of class you get up, walk to exits and across the street; it's all very routine. It's a refreshing break from the humdrum life of lectures and classwork and it gives a chance to finish that last bit of juicy gossip. But while we are all outside conversing with one another several young men and their sponsor are in the building timing us to see how long it takes to exit the building, and checking things out to make sure we all would be protected and safe in case of a fire. A big hand for the men who are keeping our school safe!

Fire Marshals are (top row, left to right) sponsor Mr. Steve Flint, Eric Parnell, (second row) Darien Beatty, Chad Braden, Stan Kendall, (bottom row) Darren Duke, Chris Bowen, Eric Sims, (not pictured) Holyfield

Olympics of the Mind and

O.M. Decision Structure

Members of the Olympics of the Mind team that competed in the Decision Structure are (kneeling) Brian McKinnon, Kelly Davidson, and Clem Furr. Standing are Steve Fynn, sponsor, David Bacon, Eric Sims, Dave Meints, Darien Beatty, Robert Craise, Glen Jones, and John Plunkett. They placed first in competition.

O.M. Chain Reaction

156. Members of the Olympics of the Mind Chain Reaction Team are (kneeling) Nathaniel Kettlewell, Philip Campbell, and David Booker. Standing are Gordon Marenev, sponsor, Matt Kriehn, Cherry Oakley, Jeb Briggs, and Jeff Thomas. This team finished fifth place and Cherry Oakley received two creative awards in the spontaneous part of the competition.

Quiz Bowl

Students from across southern Arkansas competed at Camden High School in the Quiz Bowl, a competition to test the knowledge of facts and figures. The CHS team of David Bacon, Darren Duke, Chad Braden, and John Sanders placed second. John Host was the alternate team member.

Dave Meints puts the finishing touches on his Olympics of the Mind Project.

The fellows look busy testing strategy structure. Rob Holyfield, Glen Jones, Dave Meints, Clem Fitt, and Eric Sims join forces to see if their invention works.

HEALTH & P.E.

On your mark, get set, and go! Ruthie Langford, Evelyn Harris, and Stacia Hamilton get in shape and earn a credit in Physical Ed

...your right! She ain't breathin! Anthony Armstrong is instructed by Laura Bachman, an Emergency Medical Technician at Ouachita County Hospital, on CPR. The Health students learn this along with other ways to save lives during the semester

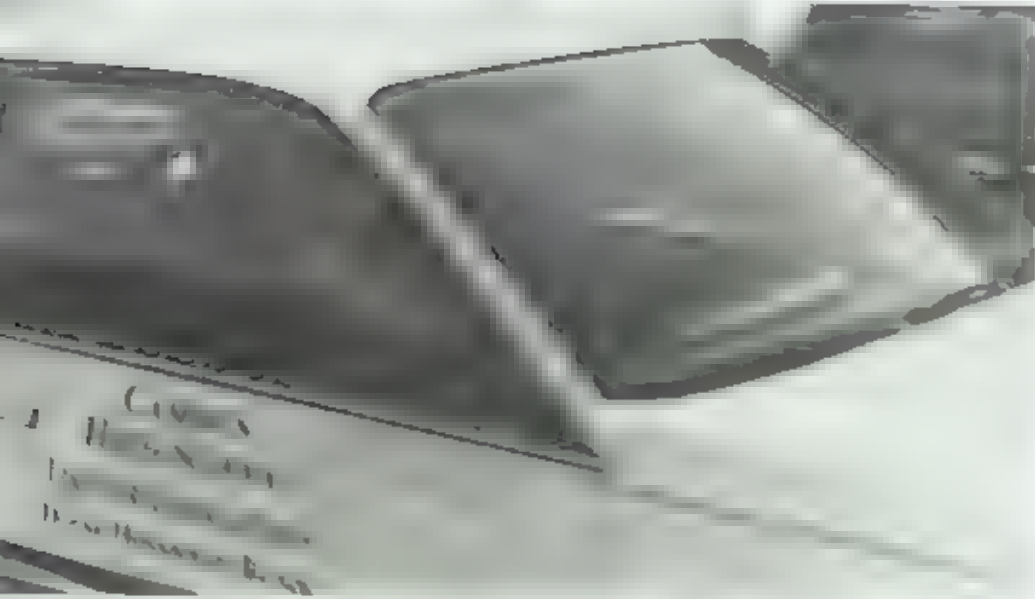

Put your right foot in...Anuta Waller dances during P.E. to get in shape for summer.

In 3rd period P.E. Jeanie Barker, Lorrie Delezen, and Lydia Blackman take a break during aerobics while Deborah Jones, Kathy Neal, Paula Thrower, and Shanda Elliott continue to burn those calories

DRIVER'S ED

A sign on the door tells motorists to beware of the student driver. Coach Bridges is to count the mistakes as they peel out of the school parking lot. The car a Buick Summer set, is compliments of Doyne Hunnicutt Buick Subaru of Camden.

Another wild and crazy adventure is about to begin. Tina Elliott, Adriane Polk, and Coach Bridges prepare themselves for the tree and car dodging that will go on during the ride.

Having students to drive can be a nerve racking experience as Coach Bridges has found out. He doesn't look very comfortable now that Skip Hammond is at the wheel of the car.

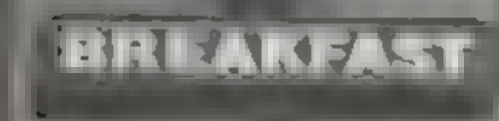

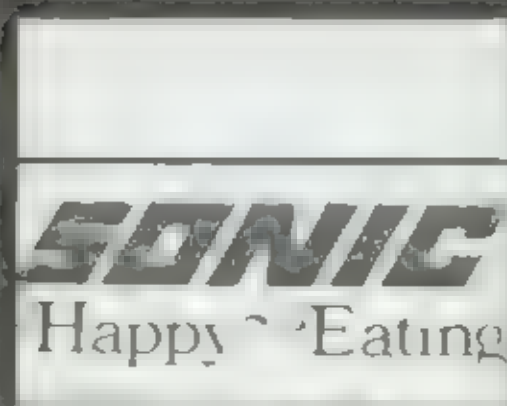

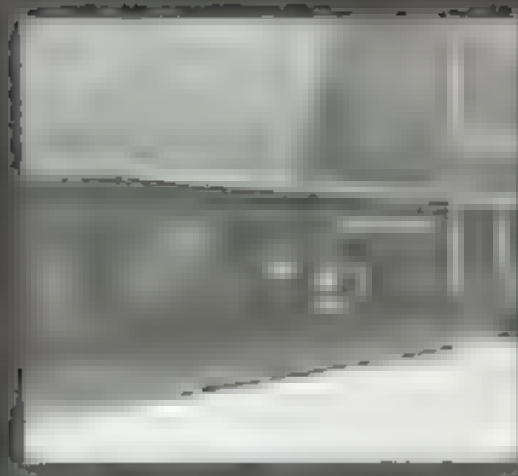

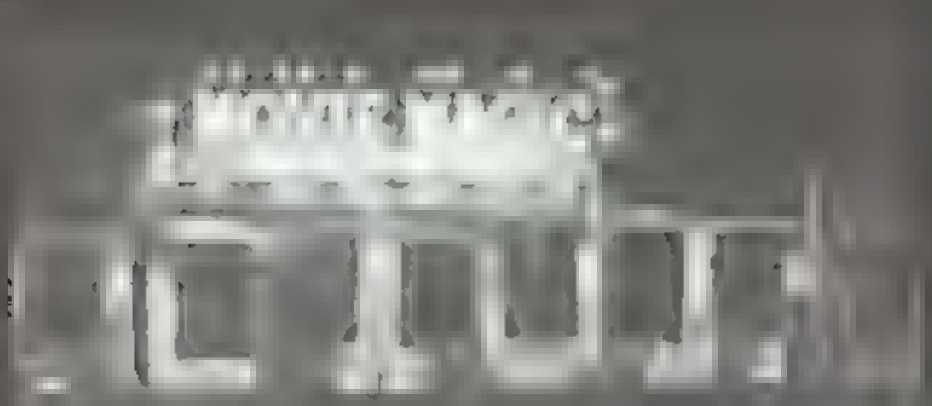

Center Right. No! Please don't hit the photographer! He is needed greatly! They managed to miss the photographer, but not much can be said for the teachers' parked cars!

Bottom Left. The face of Tina Elliott after the first big goof was made. That will be a few points taken off the day!

Bottom Right. Riding off in the Summer set after being quizzed on the brakes, lights, tires, and outside mirrors.

To area merchants it may seem like all they hear is, "Will you buy an ad?," and for the most part they say, "Yes!". It is these merchants who make the Conifer and other area schools' yearbooks possible. Without their support there would be no way we could publish this cherished book of memories.

At this time we want to say, "Thank You" to our area merchants and, to our readers, we ask that you support them as they have supported us, for they are truly a "Class Act" as well.

Dear Mother,

A lot has happened in my life since this photo was taken. For in these years I have had some good times and bad times and also a lot of changes have happened. You helped me and guided me and was always there when I needed you most. Yet you are much more than a friend, you are a mother which no one can compare. Through these years you have protected me, sheltered me, molded me, and comforted me. You have made me who I am today. And now I stand, ready for the world.

Love, Shirlene

to the staff,

My knowledge of the English language can't begin to express how I feel about the people who have worked on this book. The '87 staff has been creative, dedicated, hard-working, and fun. They've laughed and cried, argued and made-up, learned to compromise, and have become a team. They've been excellent leaders, understanding followers, super students, and the best friends to me and each other that anyone could have. Throughout the year, I've felt I've had both respect and friendship—and I've remembered what makes teachers want to teach.

Ronnie, Jimmy, Beau, Robert, Kevin, and Jody—you guys are wonderful!! You've never quit trying or blinked an eye when an overload of darkroom kept up late. Thanks for the smiles and good attitudes!

Chysti and Cherry, you never seemed to run out of something "different!"

Cheryl T., you were always there to do all the little things that needed to be done.

Rona, Jennifer, Lisa, Kelleen, and Shelia, two periods of work a day is as much as anyone can ask!

Dawn, we've certainly needed your sports expertise! Adriane and Teresa, thanks for two years of hard work!

Karen, Valerie, and Christy, your enthusiasm has kept us going.

Keith T., and John, thanks for hanging in there!

Keith P., we've got some big shoes to fill next year!

Cheryl W., I appreciate your up-front-ness. And who else would have put up Paws in a tux!

Vicki, I don't know what to say. I wouldn't trade ya any day of the week for 100 people who DO know how to use rulers! Thank you for your friendship and understanding, and for helping me keep my priorities right. You're a joy!

...and, Bill Hurley...you are a lifesaver. Thank you for your advice and your hours of overtime! It's nice to have the very first editor of CHS's very first Conifer around to help.

...to all of you..."Don't despair at saying good-bye. You have to say good-bye to say hello. And hello's come often to those who are friends."

*Love ya -
Anita Stapp*

AND THEY SAY GIRLS JUST WANT TO HAVE FUN! It looks like photographers Kevin Cunningham (banjo), Jody Dotson (bass), Ronnie Binns (lead guitar) and Robert Craise (lead singer) are having some fun of their own. Bon Jovi, BEWARE!

After viewing the evidence, you have to agree that 1986-87 was "A Class Act." You have watched as the students of the class gave it their hardest efforts to be sure that this was the best year it could possibly be. You have watched as they won awards in sports, science, music, business, math. You have also watched as some of their dreams and hopes just didn't come true. But through the victories and failures, you have, overall, watched them grow, a process that is not easy and takes a lot of love and understanding.

Love and understanding is something the class of 1986-87 has. We stuck by each other this year as things seemed a little bit rougher than usual. We have pulled through so much this year. Some good, some bad, but the important thing is that we pulled through TOGETHER. Because of this, we have built friendships that will last a lifetime.

The 1986-87 school year, had to be the classiest act that any of us have experienced in a long time, or will experience again, for that matter. But we will always have the memories, we will always have the love, and most of all, we will always have the class that the 1986-87 school year produced. There is no other term that describes it better than this. 1986-87-- A CLASS ACT!!

Mr. Paul Blackman
CHS Band Director
1947-1987

This book is dedicated in loving memory to CHS Band director Mr. Paul Blackman.

from the editors.....

As co-editor of the yearbook, I had the opportunity to work with the greatest bunch of nuts anyone could ask for! It would take me literally pages to thank each one individually for the time and effort they put into making the yearbook look terrific! But there are a few who deserve a special thank you for going that extra mile!

Beau Bridges- Thanks bud, for your friendship and hardwork this summer selling ads! And thanks for the driving tips!

Kelleen White- sorry we made it so hard for you to take roll everyday, but I promise we were in the darkroom!

Jimmy Vaughn, Beau Bridges, Ronnie Binns and Robert Craise-you guys are the greatest photographers, but I'm still the BOSS!!!

Cheryl Williams- We've had some pretty rough moments, but thanks for putting up with me anyway!

But most of all, I have to say thank you to Miss Stafford! Lady, (and I mean that with the upmost respect and with the fullest meaning of the word), you are the greatest! Thank you SO MUCH for the teaching and instruction you've given me! I've learned more than just publications from you. Through your allowing me to try my wings and ideas, I've learned to be giving and how to compromise. Thank you for your friendship and for your calmness in dealing with me, especially when I fell in love every week! I'm really gonna miss you!!

So many more people deserve to be on this page--in fact, everyone in third period--but there's just not enough room. You all are wonderful people and I love each one of you. Thank you for making this yearbook a class effort--and for making the 1986-87 school year A Class Act! You're a classy bunch of people

*I love y'all!!
Wicki Eaton*

When I was one-and-twenty
I heard a wise man say,
"Give crowns and pounds and guineas,
But not your heart away;
Give pearls away and rubies
But keep you fancy free."
But I was one-and-twenty,
No use to talk to me.
When I was one-and-twenty,
I heard him say again,
"The heart out of the bosom
Was never given in vain;
'Tis paid with sighs a plenty
And sold for endless rue."
And I am two-and-twenty,
And oh, 'tis true, 'tis true.

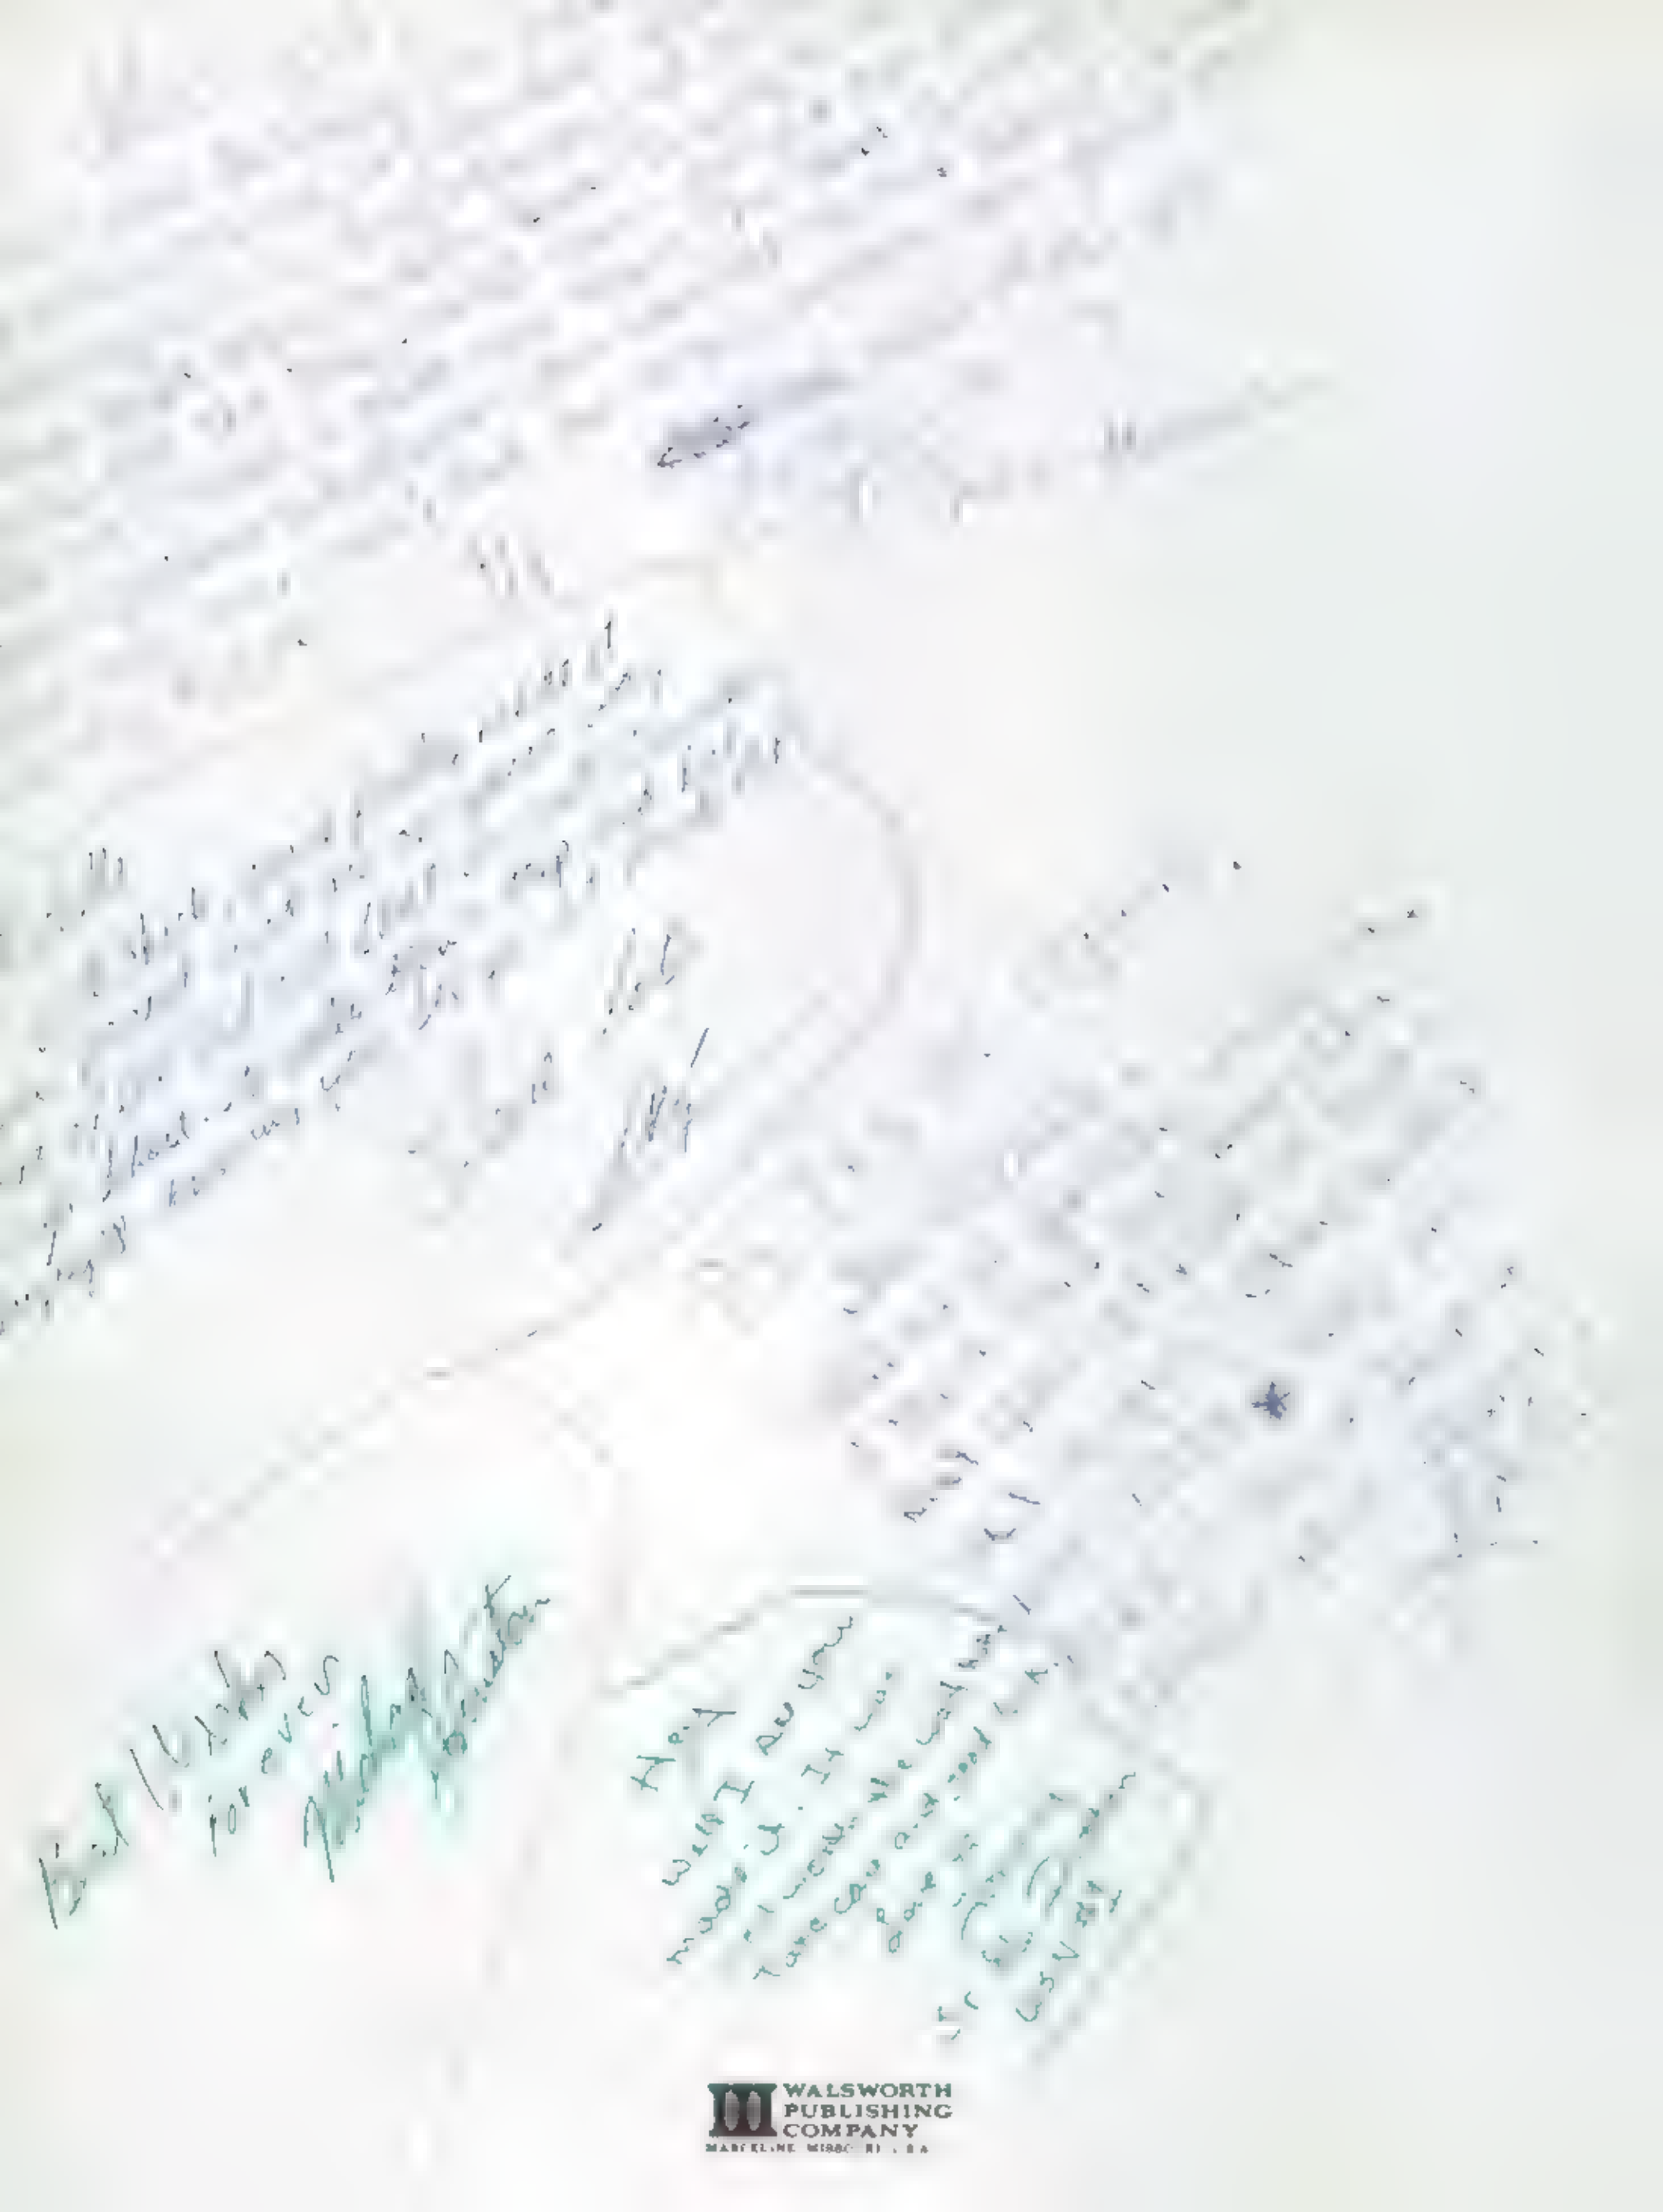

—A.E. Housman

Co-operation received from local businesses, patience of friends and relatives, support from our school board, the struggles, hardwork and determination given to this book by fellow workers, convinces me it is O.K. to give your heart away to those so deserving. My heartfelt appreciation is extended to all of you who helped so much and made my job so much easier. You helped us prove that 1987 was a 'CLASS ACT.'

I want to give special thanks to Vicki Eaton my co-editor--"We didn't kill each other after all."

—Cheryl Williams
